***** Wisdom For Living *****

Unless you're a swimsuit model, your Character Traits (i.e., Creativity, Confidence, Courage, Grit, Optimism, Integrity, Reliability...) are what produce Excellence, Wealth, and Prosperity without the Sorrows --- the greatest assets in all areas of life.

God provides each of us with exactly the right environment for maximum personal growth. Life will be happier and more productive if you look at the toolbox God lovingly provided for you and ask yourself what you can do with those tools.

Discover where you're needed by fellow human beings and develop the passion to be the best in that field. You will start to enjoy the immeasurable Blessing from God, called Prosperity!

This eBook Unveils the Human Manufacturer's Mind (God, the Creator's Mind), the Blueprint for living here on earth, with Purpose and Vision. An invaluable eBook that you will refer to again & again!

God's wisdom ... His Principles and Laws (Rules, Tips, Tools, Techniques, guidelines) are for mankind not only for Kingdom Citizens or religious people. They will teach, amongst other things, about how to make money and invest for the future; build a good marriage and raising offsprings into fantastic adults; build a thriving society with longterm mindset... When you understand a thing, it will work for you.

Here is the overview of the framework for living on earth, according to the Mind of our Creator:

1. The Purpose of God for earth – what's in the Mind of God for creating man species ONLY in two models: Male Man (husband) and Female Man (wife).
2. Why there're exactly two distinctive categories of relationship ordained by God – relationships between men and women, and relationships for financial and economic interactions between human

beings. Marriage is a relationship that distinguishes humans from animals.

3. Building character strength - spiritual backbone.
4. The two singles that should marry – marriage, building thriving family and raising children that will become model citizens.
5. Starting and growing business with momentum – unlimited financial and economic human interactions to earn money and grow wealth.
6. The four pillars of digital investment – to exponentially multiply, grow and protect your wealth in a steady and consistent fashion.
7. The 7 levels of perception – anticipating challenges ahead and providing solutions today.
8. Protecting your legacy for generations unborn.

In the ever-changing world, ALWAYS focus and depend on things that never change, the Principles and Laws of God. There lies your joy, success, fulfilment and prosperity without sorrows.

Adjusting your money thinking mindset

The five books of Moses brought down from God on Mount Sinai contain far more rules and regulations about financial transactions than they do about any other category of moral teaching.

About 60% of both the Old and New Testament is about money and Biblical economy.

What is more, Bible teaching through the lens of ancient wisdom illustrates how financial transactions allow strangers to please one another... AND this pleases God!

The Yosef (Joseph) Generations Inner Circle MasterMind For Conquers reveals it all, and much more.
