God's wisdom ... His Principles and Laws (Rules, Tips, Tools, Techniques, guidelines) are for mankind not only for Kingdom Citizens or religious people. They will teach, amongst other things, about how to make money and invest for the future; build a good marriage and raising offsprings into fantastic adults; build a thriving society with longterm mindset... When you understand a thing, it will work for you.

Here is the overview of the framework for living on earth, according to the Mind of our Creator:

1. The Purpose of God for earth – what's in the Mind of God for creating man species ONLY in two models: Male Man (husband) and Female Man (wife).
2. Why there're exactly two distinctive categories of relationship ordained by God – relationships between men and women, and relationships for financial and economic interactions between human

beings. Marriage is a relationship that distinguishes humans from animals.

3. Building character strength - spiritual backbone.
4. The two singles that should marry – marriage, building thriving family and raising children that will become model citizens.
5. Starting and growing business with momentum – unlimited financial and economic human interactions to earn money and grow wealth.
6. The four pillars of digital investment – to exponentially multiply, grow and protect your wealth in a steady and consistent fashion.
7. The 7 levels of perception – anticipating challenges ahead and providing solutions today.

Adjusting your money thinking mindset

The five books of Moses brought down from God on Mount Sinai contain far more rules and regulations about financial transactions than they do about any other category of moral teaching.

About 60% of both the Old and New Testament is about money and Biblical economy.

What is more, Bible teaching through the lens of ancient wisdom illustrates how financial transactions allow strangers to please one another... AND this pleases God!

The Yosef (Joseph) Generations Inner Circle MasterMind For Conquers reveals it all, and much more.
